Protocol regulating measures to combat and contain the spread of the Covid-19 virus on the occasion of the 24a Sei Giorni delle Rose - Fiorenzuola International Track 2021, class 1 UCI -

Fiorenzuola d'Arda, May 19 2021

This protocol is drawn up on the basis of the restart decree (underlined parts) and the particularities of the plant for the 24a Sei Giorni delle Rose (SGR) following the FCI - CONI guidelines.

GIVEN that "With the publication of the decree-law of 22 April 2021, n. 52 (Urgent measures for the gradual resumption of economic and social activities in compliance with the need to contain the spread of the COVID-19 epidemic) new provisions have been introduced for the world of sport, provided in particular by articles 5 and 6 of the same decree: let's see the most significant ones that concern us, referring to the full reading of the text of the decree-law. "

"In paragraph 2 of art. 5 (Shows open to the public and sporting events) it is established that, starting from 1 June 2021, in the yellow zone, it will be possible for the public to attend events and competitions at a competitive level and recognized as being of pre-eminent national interest, with seats to sitting preassigned and ensuring interpersonal distancing. The permitted capacity cannot exceed 25% of the maximum foreseen (and in any case the maximum number of spectators cannot exceed 1,000 for outdoor installations and 500 for indoor installations). " **Paragraph confirmed by the decree-law of 18-05 article 5.**

"The activities must be carried out in compliance with the guidelines adopted by the Presidency of the Council of Ministers - Department for sport."

"In the yellow zone, in relation to the progress of the epidemiological situation and the characteristics of the sites and outdoor events, a different maximum number of spectators can be established, in compliance with the principles established by the Technical-Scientific Committee, with suitable guidelines to prevent or reduce the risk of contagion, adopted by the Undersecretary with responsibility for sport. "

"From 26 April 2021, in the yellow zone, any sporting activity, including team and contact activities, is allowed outdoors. This is also possible for the outdoor areas of sports centers and clubs, gyms, parks and equipped areas. However, the use of the changing rooms is forbidden. "

Having taken note of the relevant legislative decrees, which our organization will follow, integrating them with the following methods of compliance with national laws and protocols:

ATHLETES

Athletes must follow the protocols of the National and International Federations regarding anti-covid. The entrance of the athletes to the facility will be different from the entrance of the general organization, including guests, supporters and the public. There will be no changing rooms. Athletes regularly registered, with cards from official International Federations, who have withdrawn the competition number issued by the international judges and are regularly self-certified, must enter and leave the facility in official athlete uniform, ready for the competitions. The organization does not have registered athletes, but only participants, so it is not responsible for them or for their behavior outside the competitions, including accommodation and

training.

ATHLETES, TEAMS AND SPECTATORS ENTRANCE – ORGANIZATION – GUESTS - SPECTATORS

The entrance of athletes, teams and competition operators will be different for times and / or places from the public entrance.
